3-D Mask Pattern

Watch great directions video
Youtube at Rin DIY
Video instructions include a pocket for a filter
DIY 3D Protective Mask with nose wire and filter pocket
https://youtu.be/ooMWGQUqnIA

one inch
square

SIZE ADULT LARGE
7 1/2 inches x 10 inches
Trim corners

CUT ONE OF OUTSIDE FABRIC
CUT ONE OF LINING FABRIC

Note from Pat - I use cord made from t-shirts for the loops
over the ears. I make them adjustable with pony beads.
For a large I cut a 9 -10 inch cord for each ear.
