INSTRUCTIONS
(49) SEVEN inch blocks, with sashing, border, and binding)

YARDAGE:
Tree blocks background 1 1/2 yards
Trees and Trunks - variety of themed fabrics, approxiately 3/4 yard total
Sashing 1/4 yard
Border 1/2 yard
Bias binding 27 inch square of fabric or 1/2 yard

DIRECTIONS:
1. Copy the seven-inch square PP pattern of the tree - 49 copies
2. Use the background for the spaces around the tree.
3. Sew the 49 PP blocks. Use a variety of fabrics for the tree body, and corners. Use a medium brown or gray for the tree trunks.
4. Assemble the tree blocks as desired. You can use my example if you like for a random orientation appearance.
5. CAREFULLY remove the paper.
6. Cut three crosswise strips WOF (1.5 inches) for the sashing. Sew the strips together. Add to the sides of the assembled blocks.
7. Cut four crosswise strips WOF (4.5 inches) for the border. Sew the strips together. Add to the the sashing.
8. Cut bias fabric for the binding to make 250 inches of binding.
9. Layer the quilt with batting and backing.
10. Quilt as desired.
11. Add the binding.
