Bam Wall hanging 25 x 25 inches square

16 - 4 inch blocks (finished)

Inside border = .75 inch (finished)

Outside border = 3.5 inch (finished)

Enlarge 100% to make an 8 inch square block.

Reduce 50% to make miniature 2 inch block.

Note: When enlarging or reducing the 1/4 inch seam allowance also is changed and is no longer a true 1/4 inch. Just trim your finished pieces to 1/4 inch.
